Dear colleagues and friends of CAT

It is with great pleasure that we have been informed of the election to the position of the President of CAT for the next term, 2020-2022 of our colleague and good friend Professor Deniz Incedayi.

On behalf of the UIA Greek Section and SADAS-PEA we would like to congratulate Deniz Incedayi for her new position. We are looking forward to a fruitful cooperation between our Institutions for the promotion of ideas of great importance for architecture as Climate Change, sustainability and environmental architecture, Humanitarian Emergencies, Pandemics, et al.

We have no doubt that the cooperation of our Institutions will be fruitful as stated above, and we are also sure that we could work together to the best interest of both Architecture and easing unwanted tensions between our countries.

Many wishes again to the Executive Board Members for a successful 47<sup>th</sup> Term at the Chamber of Architects of Turkey.

Best Regards,  
Cordially yours,

On behalf of

Association of Greek Architects (SADAS-PEA)  
Dimitris Xynomilakis  
President
